### Competition for Coxed Quads

J12 & WJ12	All abilities
J13 & WJ13	Junior Beginner A* and Junior Beginner B**
J14 & WJ14	Junior Beginner A* and Junior Beginner B**
J15 & WJ15	Junior Beginner A* and Junior Beginner B**

### Competition for Doubles

J16 & WJ16 2x	Junior Beginner A* and Junior Beginner B** Combined
---------------	---

For the purposes of this regatta the following criteria apply:-

- \* **Junior Beginner A** is for crews who have rowed for less than 2 years, have some racing but with limited or no success i.e. not likely to qualify for A or B finals at a National event.
- \*\* **Junior Beginner B** is for crews who are in their first year of rowing, this would normally be their first regatta

Racing will be on a repechage basis wherever possible to maximise the amount of racing for all crews. This is dependent on numbers of entries in each category.

We respectfully ask that coaches/entry secretaries only enter crews which fall into these ability categories. One of the main aims of Maidenhead Junior Regatta is to provide a venue where less experienced / less successful juniors can enjoy more of a chance of winning than at a traditional style regatta. However they must be capable of steering the course and manoeuvring their boat safely. Please double check with the Entries Secretary if you are uncertain about categories. Crews are only allowed to race 1 year above their age category.

Composite crews that include members of other invited clubs are welcome, by prior arrangement with the Regatta Entries Secretary.

*Pewter tankards will be awarded by **[to be confirmed]** to winning crews in all events in which two or more crews start.*

Every competitor must be registered with British Rowing.

**Entries close on Thursday, 9th May 2018 at 6pm.** All entries must be via BROE.

In the event of cancellation a proportion of the fee will be returned.

**Cost per seat £11.00 (coxes exempt)**
