Doubling-up/Boat sharing

- We welcome doubling-up in division to maximize your races.
- We can only ensure first rounds of doubled-up crews don't clash. The problem lessens as crews are knocked out but clashes may be unavoidable.
- Should a timing clash emerge in later rounds, contact Race Control as early as you can. They can reschedule subject to your oppositions approval.
- If, taking into account all of the above, you think we have scheduled you in two first round races that are too close to each other please contact us by email before 6pm on Tuesday 2nd and we will try to reschedule.
- Please note any doubling/boat sharing within a division
- Entries may be rejected if the smooth running of the racing programme is compromised.
